Before filling out your pledge card, please pray and reflect upon the many gifts and blessings God has bestowed on you and those whom you love.

Your pledge is an outward and visible sign of our common desire to love and serve one another through Christ. Using the tithe (10% of your annual income) as the biblical standard, consider a pledge that challenges you to move beyond your comfort zone and by doing so strengthen your faith and move closer to God.

St. Paul's relies almost entirely on pledge income to fund its mission and ministries. By making a commitment today, you join with those who have gone before, so that together, with God's help, we shall always be here to proclaim: *Whoever you are, wherever you find yourself on the journey of faith, you are welcome here.*
